

A Dance To The Music Of Time A Question Of

A Dance To The Music

Origins. Folk dance music is music accompanying traditional dance and may be contrasted with historical/classical, and popular/commercial dance music. An example of folk dance music in the United States is the old-time music played at square dances and contra dances.. Historical dance music

Dance music - Wikipedia

Electronic dance music (EDM), also known as dance music, club music, or simply dance, is a broad range of percussive electronic music genres made largely for nightclubs, raves and festivals.It is generally produced for playback by disc jockeys who create seamless selections of tracks, called a mix by segueing from one recording to another. EDM producers also perform their music live in a ...
