Art Models Dynamic Figures For

The popular notion of art in the West, however, is very different, for it is thought to comprise masks and very little else—except, perhaps, “local colour.” This misconception has been enhanced by the aforementioned European concept of fine art, but it may have originated in a dependence, during the first period of Western interest in African art, upon collectible artifacts—some of ...

Oceanic art and architecture - Oceanic art and architecture after European contact: The earliest Westerners to explore the Pacific Ocean undertook their dangerous voyages with firm determination to discover wealth in one form or another. Except in rare cases, they had no lively curiosity about the islanders. They engaged neither their interests nor their skills in recording island life; indeed ...

Since ancient times, Greeks, Etruscans and Celts have inhabited the south, centre and north of the Italian peninsula respectively. The very numerous Rock Drawings in Valcamonica go back to 8,000 BC, and there are rich remains of Etruscan art from thousands of tombs, as well as rich remains from the Greek colonies at Paestum, Agrigento and elsewhere. ...

The word culture, from the Latin root colere (to inhabit, to cultivate, or to honor), generally refers to patterns of human activity and the symbolic structures that give such activity significance. Different definitions of "culture" reflect different theoretical orientations for understanding, or criteria for valuing, human activity.

Culture - New World Encyclopedia

During the Yuan Dynasty, painters turned more and more to express spirit and soul in their art. Scholar artists became the leading figures in painting, and they emphasized the expressive qualities inherent in brush and ink as a means of portraying personality, thought, and emotion.
