Death penalty: is capital punishment morally justified?

Capital punishment, also known as the death penalty, is a government-sanctioned practice whereby a person is killed by the state as a punishment for a crime. The sentence that someone be punished in such a manner is referred to as a death sentence, whereas the act of carrying out the sentence is known as an execution. Crimes that are punishable by death are known as capital crimes or capital

1. Introduction. Since its inception in 1988 (first issue in 1990), the mission of The Leadership Quarterly (LQ) has been to sustain and catalyze the development of innovative, multi-disciplinary research that advances the leadership field. Nearly 25 years later, this goal, along with many of the journal's other primary objectives, has been reached (Gardner, Lowe, Moss, Mahoney, & Coglisier, 2010).

Probation, which is the leading form of correctional control, allows a person to remain in the community under the supervision of a probation office, ostensibly in lieu of incarceration. Parole, on the other hand, is a type of conditional release from prison; as with probation, people released on parole are supervised in the community. The two systems are often collectively referred to as ...
