Life in the 1800's. Back then, life was really difficult. The women, when cooking, had to use a cast iron stove, which were hard to use. That wasn't all of it. To prepare food, they had to kill the animal (say a chicken) then pluck it and boil it. They couldn't just go to the supermarket and buy one.

France - Daily life and social customs: In comparison with the immediate postwar era, the French now devote far more time to leisure and cultural pursuits, largely as a result of a shorter workweek, more years spent in education, and greater affluence. The increasing emphasis on home entertainment provided by television, stereo, and personal computers has not reduced cinema or theatre attendance.

### **Everyday Life and Women in America, c1800-1920 | Digital ...**

Women in the 1800s In the 19th century, women were expected to endure physical discomfort and pain to fit the mold of the perfect woman. They were pressured by popular literature and magazines to devote all of their time and energy to keeping a clean house and were looked down upon if even one item was out of place.
