

Figuring Out Fibromyalgia Current Science And The Most Effective Treatments

Figuring Out Fibromyalgia Current Science

Who We Are. The Frida Center for Fibromyalgia is an integrative medical clinic founded by a physician who has personal experience with this complex illness.

The Frida Center for Fibromyalgia

After a decades long illness that was identified as Fibromyalgia, I was diagnosed by an infectious disease doc with toxic mold illness. This is my story.

It's Not Fibromyalgia: My Toxic Mold Illness

The misery of living with pain 'Society is ignoring importance of sleep' Intensive exercise may weaken your heart; Antidepressant could help slow Alzheimer's disease

The misery of living with pain - Times of India

If you're a guy in the gym working with weights, not only are you probably trying to lose some fat, but also gain some muscle. This article discusses the mechanisms of how muscles grow, plus why most women won't gain large amounts of muscle when working with weights. Although there are different types of muscles, such as cardiac muscle (your heart), for our concerns, we will talk ...

How Do Muscles Grow? The Science of Muscle Growth

If Only It Were Easy Let's face it: the Paleo Autoimmune Protocol is hard to do. If we could just take a test to identify our food intolerances, it would be so much easier! So, why don't we? Unfortunately, food intolerance testing is unreliable, giving both false positive and false negative results. An elimination diet (like the AIP) is the only accurate way to test for ...

Why Food Intolerance Testing Doesn't Work - Autoimmune ...

The past 50 years has seen globalisation of psychiatric diagnostic (categorical) frameworks. Early versions were notoriously unreliable; when categories are unreliable they cannot be valid, meaning that they were at best useless and at worst harmful. This changed with development of the Diagnostic ...

Updated on April 16, 2016 Take Mold Seriously I've been meaning to write this post for a while - years really. Ever since I started studying the work of Dr. Ritchie Shoemaker, one point became crystal clear. If you've got a chronic illness (Lyme, CFS, Fibromyalgia, MS, and so on), it's an abso

Are You Moldy? | Biotoxin Journey

Now, it used to be thought for a long time that the lasers had really unique effects. This was a big problem, this was a big barrier for the adoption of this red and near-infrared light therapy because there are literally thousands of studies, over 3000 studies now showing the benefits of red and near-infrared light therapy for a variety of things.

How To Get Results With Red Light Therapy with Ari Whitten

Little known to the public at large. Little understood by the health community. Omnipresent in our conventional food culture. Proven to be at least mildly detrimental for everyone and downright destructive for the more sensitive (and often unsuspecting) among us. We're talking lectins today ...

The Lowdown On Lectins | Mark's Daily Apple

Hi @ek410 - I'm so grateful that you chimed in to share a bit of your story. You definitely do have a double whammy with the combination of fibro plus migraine- as if either one of those things weren't a full time job in its own right.
