Jumpstart Our Business Startups

The Jumpstart Our Business Startups Act, or JOBS Act, is a law intended to encourage funding of small businesses in the United States by easing many of the country's securities regulations. It passed with bipartisan support, and was signed into law by President Barack Obama on April 5, 2012. Title III, also known as the CROWDFUND Act, has drawn the most public attention because it creates a way ...

Reasons why you should create a financial model for your startup or small business. A good financial model can help you: Test your assumptions and verify key drivers of your business

Financial Modeling for Startups & Small Businesses | Udemy

A startup or start up is a company initiated by individual founders or entrepreneurs to search for a repeatable and scalable business model. Founders design startups to effectively develop and validate a scalable business model. Hence, the concepts of startups and entrepreneurship are similar. However, entrepreneurship refers all new businesses, including self-employment and businesses that ...
