The Arts in High School. The average public high school art program varies depending on the school and, increasingly, the school's budget. And, while there are a handful of publicly-funded schools with a strong performing arts curriculum, you are more likely to find a concentrated focus on these areas of study within the private high school setting.

The Arts in High School Archives - Bright Hub Education

A lesson is a structured period of time where learning is intended to occur. [citation needed] It involves one or more students (also called pupils or learners in some circumstances) being taught by a teacher or instructor. A lesson may be either one section of a textbook (which, apart from the printed page, can also include multimedia) or, more frequently, a short period of time during which ...
