Don Mariano Guadalupe Vallejo was a Californio general, statesman, and public figure. He was born a subject of Spain, performed his military duties as an officer of the Republic of Mexico, and shaped the transition of Alta California from a territory of Mexico to the U. S. state of California. He served in the first session of the California State Senate. The city of Vallejo, California is named for him, and the nearby city of Benicia is named for his wife.

Vallejo, Mariano Guadalupe. In the middle of the nineteenth century, one of the biggest boosters of the U.S. annexation of California was not a miner, an army soldier, or a U.S. politician, but rather a longtime Mexican rancher and landowner named Mariano G. Vallejo. In the first half of the nineteenth century, Vallejo had become one...
