FYI Ultra by Garden of Life FYI Ultra - Health Food Emporium

FYI, FYI ULTRA and FYI Restore are three formulas from Garden of Life's Immunity Support line, that provide potent support for healthy joints, connective tissues and muscles. While they all work similarly, in some sense, they each have distinct functions in the body. This is a synopsis of how

they work.

FYI, FYI ULTRA and FYI Restore from Garden of Life ...

Spices, including black pepper, have been linked to outbreaks of salmonellosis when added to products that do not undergo additional processing. Traditional thermal processing can lead to losses of heat-sensitive compounds. So, alternative processes, such as atmospheric pressure plasma (APP), are of interest.
