Polo: The Emperor Of Games By Frank Milburn

Disabusing readers of the notion that polo is an effete game, Milburn points out that a two-ambulance contest is standard and a four-ambulance battle not unheard-of. He suggests that polo is not a rich man's sport, but the mention of such names as Winston Churchill and Prince Charles weakens his argument considerably.

Polo is called the "emperor of games." No other ball game matches its combination of speed, skill, stamina, and bravery. Although now long overtaken in popularity by other games in the West, polo in its heyday was an international spectator sport, played and watched not only in England and the United States but also in South America.
