I wonder whether Little Free Libraries accept books as well as offering them—probably depends on the owner. I bring some books to the book sale of the local library (they have their own used book shop), and I clip off our address label and donate kids' magazines (Highlights, Ranger Rick, etc.) to the waiting room of the community clinic where I work.

A cart is a vehicle designed for transport, using two wheels and normally pulled by one or a pair of draught animals. A handcart is pulled or pushed by one or more people. It is different from a dray or wagon, which is a heavy transport vehicle with four wheels and typically two or more horses, or a carriage, which is used exclusively for transporting humans.
