

Seeing The Light The Social Logic Of Personal Discovery

Seeing The Light The Social

The Rt. Rev. Charles Duvall reminds us of the experience on the Mount of Transfiguration that revealed Jesus shining with the light of God and made clear that Jesus is God. God is involved in human life. Human life is precious in God's sight.

Visual perception is the ability to interpret the surrounding environment using light in the visible spectrum reflected by the objects in the environment. This is different from visual acuity, which refers to how clearly a person sees (for example "20/20 vision"). A person can have problems with visual perceptual processing even if he/she has 20/20 vision.

Visual perception - Wikipedia

In a democracy government should be for everyone equally. If we're going to have a program just give it to everyone, not just a few people. Limiting like that breeds resentment, of course, but the resentment is the correct reaction because limiting like that is just wrong.

Seeing the Forest | Who is our economy FOR, anyway?

was an online venture of the Sci-Fi Channel cable television station, produced solely for broadcast over the internet from 1997-2001. With major backing, SET was able to draw A-list actors and writers, and to maintain a consistently high level of quality audio engineering to bring their efforts to life.
