Preface to the Home Education Series. The educational outlook is rather misty and depressing both at home and abroad. That science should be a staple of education, that the teaching of Latin, of modern languages, of mathematics, must be reformed, that nature and handicrafts should be pressed into service for the training of the eye and hand, that boys and girls must learn to write English and ...

Britpop was a UK-based music and culture movement in the mid-1990s which emphasised "Britishness", and produced brighter, catchier alternative rock, partly in reaction to the popularity of the darker lyrical themes of the US-led grunge music, an alternative rock genre, and to the UK's own shoegazing music scene. The most successful bands linked with the movement are Blur, Oasis, Suede and Pulp ...

I think the controversy over GMOs represents one of the greatest science communications failures of the past half-century. Millions, possibly billions, of people have come to believe what is essentially a conspiracy theory, generating fear and misunderstanding about a whole class of technologies on an unprecedentedly global scale.
