The Voyager Golden Records are two phonograph records that were included aboard both Voyager spacecraft launched in 1977. The records contain sounds and images selected to portray the diversity of life and culture on Earth, and are intended for any intelligent extraterrestrial life form, or for future humans, who may find them. The records are a sort of time capsule.

British Stock-Car Racing from 1950's to 1970's. My JUNK SHOP principles: First, I don't gather photos from the Internet; everything on this site has been sent to me personally by a stock car or drag racing fan, making it a kind of community collection. Naturally, they may have donated their photos elsewhere as well.
