The Ninth Generation - amazon.com

The Ninth Generation is an epic tale born out of much research, experiences, and the writings of those, like Peretti, who have demonstrated the effectiveness of good fiction in imparting valuable truth. Many of the same spiritual dynamics are at work in both books with supernatural suspense and fast-moving adventure.

Introducing the Novel-The Ninth Generation- & Author

THE NINTH GENERATION is a book I would recommend. It's fast moving and full of suspense and adventure. The surprising thing is: these characters are based on people who actually lived before Noah and the flood.

THE NINTH GENERATION - Conquering the Giants eBook: John L ...

The Ninth Generation is more than a suspenseful adventure set in an epic time-frame of history. It contains the classical elements that are found in memorable stories-tragedy, love and redemption. While categorized as historical fiction, it follows the Genesis account and includes additional insights from early historical records and creation ...

The Ninth Generation: Conquering the Giants: Amazon.it ...

The subhead of the recently published novel, The Ninth Generation: Surviving the Giants of the pre-flood Earth, speaks of a race of beings described in ancient history who were ultimately destroyed. I will leave the method of destruction up to the reader's imagination.
