

The Politics Of Memory Native Historical Interpretation In The Colombian

The Politics Of Memory Native

In The Politics of Memory, Joanne Rappaport answers this question by tracing the past three centuries of the intellectual history of the Nasa—a community in the Colombian Andes. Focusing on the Nasa historians of the eighteenth through twentieth centuries, Rappaport highlights the differences between "native" history and Eurocentric history and demonstrates how these histories must be examined in relation to the particular circumstances in which they were produced.
