An alcoholic drink (or alcoholic beverage) is a drink that contains ethanol, a type of alcohol produced by fermentation of grains, fruits, or other sources of sugar. Drinking alcohol plays an important social role in many cultures. Most countries have laws regulating the production, sale, and consumption of alcoholic beverages. Some countries ban such activities entirely, but alcoholic drinks ...

OTHER "FIRST OFFENDER" PROGRAMS. Some states use the "first offender" terminology for programs that aren't a form of diversion. For example, the law might require that someone convicted of a first DUI enter a "first offender" alcohol treatment program as a condition of punishment, rather than a way to avoid a conviction. Participation in the program is simply part of the sentence.
