Budget 2019: We are poised to become a 5 trillion dollar ...

The 2012 United States federal budget was the budget to fund government operations for the fiscal year 2012, which lasted from October 1, 2011 through September 30, 2012. The original spending request was issued by President Barack Obama in February 2011. That April, the Republican-held House of Representatives announced a competing plan, The Path to Prosperity, emboldened by a major victory ...
