Ryan Serhant is the very confident guy who wears stellar suits, has a driver, and regularly closes seven-figure deals on Bravo's hit series Million Dollar Listing: New York. On his reality show Sell It Like Serhant, he uses his sales expertise to teach struggling salespeople to successfully sell everything from golf balls to hot tubs. In this book is the blueprint for how to go from sales scrub ...

Preparation of the High Flow Throttle Bodies is a multi-step process that includes: boring, custom fit CAD designed throttle blades, reducing shaft profile, installing button head screws, milling topside and tumble polishing. By increasing air flow up to 15 %, our throttle bodies improve low-end and mid-range power. This increase is immediately noticeable to the driver.

MAJOR CHANGES COMING.... NEW MACHINE SHOP - We built a fabrication shop over the past five years, yet we have struggled to get the machine shops we contract with to provide products in a timely and economical manner. So this winter we have invested heavily into machining equipment including a CNC mill and CNC lathe and hope to add a plasma cutting table fall of 2017.
