West Virginia is one of two American states formed during the American Civil War (1861-1865), along with Nevada, and is the only state to form by seceding from a Confederate state. It was originally part of the British Virginia Colony (1607-1776) and the western part of the state of Virginia (1776-1863), whose population became sharply divided over the issue of secession from the Union ...
