

## *Under The Rust Belt*

### **Under The Rust Belt**

The Rust Belt is a term, sometimes considered pejorative, for an informal region of the United States that experienced industrial decline starting around 1980. It is made up mostly of places in the Midwest and Great Lakes, though definitions vary. Rust refers to the deindustrialization, or economic decline, population loss, and urban decay due to the shrinking of its once-powerful industrial ...

As defined by World Health Organization (WHO), it is a "State of complete physical, mental, and social well being, and not merely the absence of disease or infirmity." Health is a dynamic condition resulting from a body's constant adjustment and adaptation in response to stresses and changes in the environment for maintaining an inner equilibrium called homeostasis.
