With more and more people shopping online these days we have seen a sharp increase in the number of e-commerce websites. It's a great way for brick and mortar stores to reach a wider audience than just the local area, and frankly a lot of people are more comfortable shopping from the comfort of their own home.

Five years ago, Jim Collins asked the question, "Can a good company become a great company and if so, how?" In Good to Great Collins, the author of Built to Last, concludes that it is possible, but finds there are no silver bullets. Collins and his team of researchers began their quest by sorting through a list of 1,435 companies, looking for those that made substantial improvements in their ...
